PL600P KIT

AV 600 Passthrough Powerline KIT

Perfect for connecting Smart TV &
Game Console

Plug & Play, no need to configure
or install software

Compatible with Any Homeplug
AV Product

[Datasheet](#)

Features

- Up to 600Mbps Powerline Speed
- Perfect for Smart TV, Steaming Player & game console
- Plug & Play , no need to configure or install software
- Compatiable with Any Homeplug AV Certified Products
- Compatible with IEEE802.3, IEEE802.3u Standard
- Support 128-bit AES Encryption

Package Content

- 2 * Powerline Adapter
- 2 * Ethernet Cable
- 1 * Quick Installation Guide

Specifications

Product Name	AV 600 PassthroughPowerline KIT
Product Model	PL600P KIT
Standard	IEEE802.3、 IEEE802.3u HomePlug AV
Solution	AR7420+AR1540
Interface	1* 10/100Mbps Ethernet Port 1* Intergrated Power Socket
Powerline Speed	Up to 600Mbps
Operating Range	Up to 300 meters
Frequency	2MHz~68MHz
Plug Type	DE
LEDs	Power, Powerline, Ethernet
Button	Pair/Rst Button
Security	128-bit AES
Environment	Operating Temperature: 0°C~25°C Storage Temperature: -40°C~70°C Operating Humidity: 10%~90% non-condensing Storage Humidity: 5%~90% non-condensing
Power	100~240 VAC, 50/60Hz
Safety & Emission	CE/RoHS
Dimensions (W X D X H)	259x169x64mm
